ABOUT US

Habitat Realtech is a unit of J.R.C. GRID ENGINEERS, a renowned name in the construction industry, executing residential projects since 1987. We have constructed more than 16 Million Sqft. of built-up area in Delhi – NCR.

Our client list includes the most prestigious organizations in India like Army Welfare Housing Organization (AWHO) & Indian Railway Welfare Organization (IRWO). We feel proud to have delivered numerous projects for them. This very fact is testimony to our commitment to delivering quality work within the timeframe, thus ensuring complete customer satisfaction.

DREAM TERRACES

Welcome to a whole new world of luxury and comfort at Dream Terraces, Neemrana. A premium township project spread across 9 acres, the development is thoughtfully planned, beautifully styled, and conveniently located just off National Highway 8.

If you're looking for a green, clean, and serene habitat, step into Dream Terraces, Neemrana.

WHERE DESIGN MEETS CONSTRUCTION EXCELLENCE

Dream Terraces is the only development with exclusively low rise buildings, making it the most spacious township in the area with a clutter free skyline. Featuring contemporary style 5 bedroom Designer Villas, 3/2 BHK Floors & Plots, Dream Terraces is an exclusive residential township adjacent to the EPIP Scheme of BILCO. Dream Terraces offers functional living spaces with all modern amenities including landscaped parks and playgrounds, along with elegant arrival areas and dedicated covered parking with each dwelling.

2 & 3 BHK FLOORS

3 BHK Super Area: 1710 sq. ft. + Covered Parking

2 BHK Super Area: 1260 sq. ft. + Covered Parking

BEAUTIFUL VISTAS FROM EVERY FLOOR

With a choice of 3 and 2-bedroom floors, Dream Terraces offers a rare combination of comfort and affordability. Exclusively designed in stilt + 3 configuration, each floor offers plush living rooms, well-appointed bedrooms, and spacious kitchens.

A far cry from the cluttered skyline and concrete jungle views that are associated with urban living, Dream Terraces comes as a breath of fresh air. The entire township has been designed by V. K. Girdhar — a who's who in the field of architecture with a Master's Degree from the famed Massachusetts Institute of Technology, USA.

Planned to the minutest detail, each floor features dedicated covered parking, thereby ensuring a smooth flow of traffic and keeping the resort-like campus peaceful and quiet. Add to that its fabulous accessibility from NH 8 and strategic location within the new industrial, commercial, & institutional hub of Neemrana, and you know why Dream Terraces is being billed as the hottest new investment in the region.
